## Abram Street

From	To	Date Closed	Scheduled Re-Open Date
Stadium	SH360	8/15/2014 6:00:00 AM	2/27/2016 5:00:00 PM

On Friday August 15, 2014, a major traffic switch will close the multiple lanes on Abram Street between Stadium Drive and SH360.

The south two lanes will be closed, and there will be one lane of traffic in each direction on the north lanes for approximately 18 months.

Stu Bauman, Project Engineer  
(817)459-6577

## Calender Road (One-way, northbound)

From	To	Date Closed	Scheduled Re-Open Date
Russell Road	Harris Road	8/16/2014	8/31/2016 11:00:00 PM

Calendar Road will turn into a one-way street (northbound) beginning August 16.

This is part of the Tri-school construction project.

Ledbetter Road will be south bound only from Curry Road to Russell Road. Russell Road will be east bound only from Ledbetter Road to Calender Road. Calender Road will be north bound only from Russell Road to Harris Road.

The detour circulation route is north bound on Calender Road continuing from Harris Road to Curry Road. West on Curry Road to Ledbetter Road. South on Ledbetter Road and back into the one way detour circle.

This detour is expected to be active roughly for the next two years. Around November, there may be a section of Ledbetter Road between Curry and Harris closed to through traffic in addition to the remaining one way restriction. Additional street closure will be made at that time.

Engineer: Steve Schell

## Lamar Blvd

From	To	Date Closed	Scheduled Re-Open Date
Collins	Baird Farm	10/17/2013 9:00:00 AM	12/13/2014 11:00:00 PM

Traffic will move to the newly constructed roadway along the south side of Lamar Blvd, Collins St to Baird Farm Rd, on Thursday September 25. The project shall maintain two-way traffic along the south side of the corridor from Collins to Ball Park Way to facilitate construction along the north side of Lamar Blvd. The north side will remain closed for approximately two months. Digital Message Boards will begin notifying the traveling public of the upcoming traffic switch on Friday September 19.

Engineer: Bob Watson 817-459-6582  
Inspector: Danny Nail
